To whom it concerns,

Evgenii Venkov started his internship since December of 2021 as a member of the IT department JSC "Freshtel". Scope of task that entrusted of Evgenii are important for company, because they are affected on to main costs. In spite of small time period from start of cooperation JSC "Freshtel" and student, Evgenii demonstrated high level skills in programming, system analysis and punctuality.

On behalf of JSC "Freshtel" I want to thank Evgenii for industriousness and goal oriented. Also, we will rely on Evgenii in the new project that we started in January. I think it would be win-win situation, when Evgenii will have practical skills during his internship and will feel the importance of his contribution in development of company in telecommunication area.

Sincerely,

CTO

Vitalii Dubinin
